MEDICORP

Katy Wilson RN CNA-BC, Administrative Director, Women's & Children's Services and Critical Care Services

Katy Wilson is a registered nurse with over 28 years of experience in Nursing Management. In addition to management, Katy has been active in rural hospital education designing educational programs specific to the needs of the rural community hospital as well as a guest speaker for the University of California, San Diego. Katy has also been involved in the design and construction of new departments and hospitals in several hospitals.

Katy received her Associate Degree from Pasadena City College, her Bachelors of Science in Nursing and Masters Degree in Nursing from the University of Phoenix. She is currently working on her Masters in Business Administration and has been accepted into the Doctorate of Organizational Behavior and Leadership program starting in August of 2008.

Katy came to MediCorp in the fall of 2004 as a consultant over Women's and Children's Services and was hired as the Administrative Director of Critical Care Services and Women's and Children's Services in the fall of 2005. Katy received her ANCC certification in Nursing Administration, Advanced in January of 2006.
